

TECHNIQUE 2 –FIXING MISTAKES

Go slow enough that it is easy.

Break it into smaller bits so that it is easy.

Repeat the correct version so many times that there's no way you'll make a mistake when you come back to it.

1. **Stop** when you make a mistake.

2. **Focus** only on the mistake.

3. Repeat it **SLOWLY** many times.

4. Add on more of the phrase.

5. Keep adding on small bits until you are playing the entire line again.

Go slow enough that it is easy.

Break it into smaller bits so that it is easy.

Repeat the correct version so many times that there's no way you'll make a mistake when you come back to it.
