

TECHNIQUE 2 –FIXING MISTAKES

Go slow enough that it is easy.

Break it into smaller bits so that it is easy.

Repeat the correct version so many times that there’s no way you’ll make a mistake when you come back to it.

1. **Stop** when you make a mistake.

MISTAKE!

2. **Focus** only on the mistake.

3. Repeat it **SLOWLY** many times.

Repeat 10+ times

4. Add on more of the phrase.

Repeat 10+ times.

5. Keep adding on small bits until you are playing the entire line again.

Repeat 10+ times

Go slow enough that it is easy.

Break it into smaller bits so that it is easy.

Repeat the correct version so many times that there’s no way you’ll make a mistake when you come back to it.
